INSTRUCTIONS
29th ANNUAL CEDARVILLE UNIVERSITY
FRIENDSHIP INVITATIONAL

Saturday, September 14, 2019

RACE TIMES:	9:30 a.m.	College Men's 8K
	10:15 a.m.	College Women's 5K
	10:50 a.m.	High School Boys 5K - Division I (Gold)
	11:25 a.m.	High School Girls 5K - Division I (Gold)
	12:05 p.m.	High School Boys 5K - Divisions II and III (Blue)
	12:40 p.m.	High School Girls 5K - Divisions II and III (Blue)
	1:20 p.m.	Middle School Boys 3200 meters
	1:50 p.m.	Middle School Girls 3200 meters
	2:20 p.m.	Open Fun Run 1 mile

Each team is assigned a starting box(es). Your top runners should be at the front of the box. For large teams, line up behind teammates and extend the box back as though you were in a road race.

Athletes should be at their starting box 15 minutes prior to race time. Clerks will be checking that you have your chips/bibs and team uniform.

The starting commands for the race will be as follows:

The starter will be approximately 75 meters up from the start line in the middle of the course. After an extended whistle blast, the PA system will announce "On Your Marks" at which time all athletes should come to the line, but not touch the line, and become motionless. The starter will raise the red flag and the gun in the air, when both the gun and flag are up in the air and all athletes are still, the gun will be fired.

Upon crossing the finish line and entering the chute, continue to move toward the back of the chute. There you will remove the chips from your shoes and place them in one of the buckets near an exit to the chute. Be sure your athletes do not leave the chute with the chip still on the shoe.

Results will be posted on a result board between the concession stand and the finish line. Results will also be posted at yellowjackets.cedarville.edu by late Saturday afternoon.

AWARDS

There will be an awards ceremony for each race. The top 10 finishers in the college races will receive a t-shirt award. The top two teams in all divisions will receive a plaque. The top 50 in the HS/MS divisions will receive an award. If you miss the award ceremony, the athlete or coach may pick up the award following the ceremony for that division. *NOTE: Cedarville University will not mail out awards for those runners who do not pick up awards at the meet.*

Cedarville University Elvin R. King Cross Country Events Thunder / Lightning Policy

Boys and Girls 5K and 2 mile race

We will not start a 5K or 2 mile race if we believe that there is a threat of thunder/lightning that could occur during the race. If a race is underway and suddenly there is thunder/lightning, the race will be permitted to finish.

1. If notified by Telvent of lightning within 20 miles of the venue prior to the start of a race, the race will be delayed. If race officials and coaches agree that the likelihood of lightning is significant prior to the start of a race, the race may also be delayed to avoid the threat.

2. If the men's 8K race has been started and notification occurs that lightning is within the 10 mile limit, the following actions will take place:

a. If the lead runner has not passed the 2 mile mark the race will be immediately postponed will all runners completing 2 miles. The race will then be restarted from the start line after the lightning threat is passed.

b. If the lead runner has passed the 2 mile mark and notification occurs that lightning is within 10 miles, runners will be permitted to finish, however course length will be modified with runners being redirected towards the finish line at 3.5 mile mark. This will make the entire course length about 3.9 miles.

c. If the lead runner has passed the 3.5 mile mark when notification of lightning within the 10 mile limit, the race will proceed as normal and the runners will be permitted to finish.

Tornado Policy

When a threat of a tornado exists at any level ("watch" or "warning"), there should be a person designated to listen to a radio or police scanner with the task of giving warning if tornado activity is sighted or otherwise detected. If tornado activity is reported in the general area or from a direction that does not pose a threat, all spectators must be informed in as much detail as is available. All persons will evacuate to a safe area from the area if a tornado has been sighted in the immediate area or if the weather becomes "threatening."

Safe Areas

All participants in outdoor activities must go to the Callan Athletic Center and/or the Doden Field House when notified of the need to leave their athletic venue due to inclement weather.

A new era began in Cedarville University cross country with the opening of the Elvin R. King Cross Country Course. The venue was dedicated and named in honor of CU's Hall of Fame coach during Homecoming Weekend on Oct. 7, 2006.

Elvin King coached track and cross country at Cedarville University for 41 years before retiring following the 2009 fall season. He was especially known for the Lady Jacket cross country program which he started in 1979.

King guided Cedarville to the 2001 NAIA Women's Cross Country Championship which remains the school's only NAIA title in any sport. The Lady Jackets became the first NAIA school to claim the All-Ohio Cross Country Championship in 2008 and they totaled nine NCCAA banners to go along with 12 conference trophies.

The Elvin R. King Cross Country Course, located at the north end of the campus just east of State Route 72, was constructed on 150 acres of property and was designed and built under the direction of former athletic director Pete Reese and King. Athletes run entirely on a grass course that includes rolling hills.

This unique venue, which meets all of the NCAA requirements for a cross country course, hosted its first meet on Sept. 16, 2006 with the 16th Annual Cedarville Invitational. Nearly 1,000 runners participated in eight races and both Yellow Jacket teams won the first-ever college races on the course.

Cedarville continues to host the annual Friendship Invitational and will also be the site of the All-Ohio Championships on Sept. 28th. Besides the high school and junior high competitions in the Friendship Invitational, the course will host the OHSAA Southwest District Championship on Oct. 19th. The Ohio Heritage Conference has also staged its championship meets on the course.

The primary cross country courses are the 5,000 meter layout (college women, high school boys & girls) and the 8,000 meter course (college men). There is also a 3,200-meter course for junior high competition as well as a 6K (NCAA women) and a 10K

(NCAA men). Ample parking is available on site for up to 500 vehicles just west of State Route 72 on campus grounds.

The Yellow Jackets called John Bryan State Park as its cross country home for the better part of four decades. The beautiful site served as host of the NCCAA Championships from 1978 through 1992 and again from 1995 through 2005. It also hosted the annual Cedarville Invitational, the NAIA District 22 Championship, the Mid-Ohio Conference Championship, the American Midwest Conference Championship, and a number of high school meets.
